String it Out – Each team will receive a 5ft piece of string and a pair of scissors. This string may be used during play to improve a lie, sink a putt or move a putt. Each time the string is brought into play, the length used must be cut off. Only the remaining amount can be used for a future situation in the round. When all the string is gone, it's gone! Use of the string is an **EXTENSION** of the previous shot and does not count to your score!

Lob a Grenade – Players may purchase 4 “grenades” that allow them to throw the golf ball, instead of hitting it with a club. The golfer may chose anywhere on the course to “lob a grenade”, which is very handy for deep sand traps or nasty chip shots. 4 grenades per team, one use each. Must note on the scorecard, the holes the grenades are thrown. Use of the grenade is an **EXTENSION** of the previous shot and does not count to your score!

Power Drive – On one identified par 5 hole, players will by-pass the normal tee-off and start at a pre-set place in the fairway approximately 300 yards from the normal orange tee location. Your first shot on the hole will be one for the green for the big hitters.
