Team Rescue: (Replaces Mulligans)

Team Rescue Package - \$85.00 (Limit 1 per team)

- Designed to save your score or enhance your game. More details available below:
  - o **String it out:** Each time will receive a 5ft piece of string and pair of scissors. This string may be used during play to improve a lie, sink a putt or move a putt. Each time the string is brought into play, the length used must be cut off. Only the remaining amount can be used for a figure situation in the round. When all the string is gone, it's gone! Use of the string is an EXTENSION of the previous shot and does not count to your score!
  - o **Lob a Grenade** - players may purchase 4 "grenades" that allow them to throw the golf ball, instead of hitting it with a club. The golfer may choose anywhere on the course to "lob a grenade," which is very handy for deep sand traps or nasty chip shots. 4 grenades per team, one use each. Must note on the scorecard, the holes and grenades are thrown. Use of the grenade is an EXTENSIONS of the previous hot and does not count to your score!
  - o **Power Drive** - On one identified par 5 hole, players will bypass the normal tee-off and start at a pre-set place in the fairway approximately 300 yards from the normal orange tee location. Your fist shot on the hole will be one for the green for the big hitters.
