TEAMRESCUE:(Replaces Mulligans)

_____Team Rescue Package - \$85 (Limit 1 per team). Designed to save your score or enhance your game. More details available below:

String it Out— Each team will receive a 5ft piece of string and a pair of scissors. This string may be used during play to improve a lie, sink a putt or move a putt. Each time the string is brought into play, the length used must be cutoff. Only the remaining amount can be used for a future situation in the round. When all the string is gone, it's gone! Use of the string is an EXTENSION of the previous shot and does not count to your score!

Lob a Grenade— Players may purchase 4 “grenades” that allow them to throw the golf ball, instead of hitting it with a club. The golfer may choose anywhere on the course to “lob a grenade”, which is very handy for deep sand traps or nasty chip shots. 4 grenades per team, one use each. Must note on the scorecard, the holes the grenades are thrown. Use of the grenade is an EXTENSION of the previous shot and does not count to your score!

Power Drive— On one identified par 5 hole, players will by-pass the normal tee-off and start at a pre-set place in the fairway approximately 300 yards from the normal orange tee location. Your first shot on the hole will be one for the green for the big hitters.
